What are the commercial products that you would like to exploit? Is there a viable market for those products?

Shelly Tomlinson sent a chat · 8:48 AM

Will the presentation be made available or a recording? Really great talk, lots to digest.

Do you have plans for a follow-up project to extend the work on other water problematic water bodies in particular the Aegean Sea?

Mini Ramansent a chat · 8:56 AM

how much uncertainty in products is allowed for each OWT?

Alper ELÇI (DEU, Turkiye) sent a chat · 8:59 AM

As far as I can see, indicators appear to be not available for the Aegean Sea. I might be wrong though.
