

# GEO AquaWatch ECS Water Talk - Ileana Callejas

January 16, 2024 · 10:44 AM · ID: 898866333

## Chat

sent a chat · 11:01 AM

We will get started in about 1 minute.

**Alexandre Castagna (UGent)**sent a chat · 11:00 AM

If you have any questions about the presentation, you can unmute yourself and ask directly at the end or you can write in the chat and we will read your question to the presenter.

**Rabia**sent a chat · 11:01 AM

Best of luck Ileana :)

sent a chat · 11:03 AM

We are recording today's talk - it will be posted later today on our website at the following link: <https://www.geoaquawatch.org/geo-aquawatch-webinar-series/>

**Igor Ogashawara (IGB)**sent a chat · 11:08 AM

This talk is part of a series of talks named "Water Talks" which is promoted by the Early Career Society of GEO AquaWatch. If you want to join the ECS feel free to contact us!

You can adjust the size of the slide on your computer. Hover your mouse of the slide and use the toggle +/- button on the right

sent a chat · 11:20 AM

Ileana - who is the best in Belize to address increasing protections to those MPA's with high Coral Vulnerability Index scores? Would it be the Belize government? An agency? NGO's

sent a chat · 11:21 AM

What might that look like? No swim days? interventions to reduce turbidity.

**Merrie Neely**sent a chat · 11:26 AM

thank you

**Ileana Callejas**sent a chat · 11:36 AM

thanks all for attending!

**Merrie Neely**sent a chat · 11:37 AM

A reminder that today's talk will be on our website later today!

**Carolina Peralta | USF** sent a chat · 11:37 AM
